PATENTED AND OUTSTANDING ACCURACY 6500 STEPS.

VirtuPro is designed for Indoor Cycling and enthusiastic Users:
Those who strive for greatness.
Those who ride on despite the pain.
Those who put in endless hours of training to challenge.

VirtuPro embodies the feeling of authentic cycling:
Experience the thrills and spills of the most legendary distances,
riding solo or as part of a Group Training Course or cycling team.

Help your teammates by shielding them from the wind,
plan breakout attacks on opposing teams,
and power-pedal your way across the finish line.

VirtuPro captures the true essence of cycling – only indoors.
